NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

A. Accounting Practices

The financial statements of Community Choice Michigan are presented in conformity with the National Association of Insurance Commissioners (NAIC) Accounting Practices and Procedures manual, except to the extent that the State of Michigan law differs from those standards thereby defined.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results differ from those estimates.

C. Accounting Policy

Valuation on Investments: Short-term investments and Bonds are stated at market value. Common stocks are stated at market value.

Trust Indenture: The Trust Indenture is required to provide a contingency reserve for the payment of claims in the event of insolvency of the HMO. The trust is held by the Michigan Insurance Commissioner and CCM jointly at the Standard Federal Bank. As of December 31, 2003, this trust account holds approximately \$1,000,000.

Accrued Medical Expense: Accrued medical expense included amounts billed and not paid and an estimate of the cost incurred for unbilled services provided to CCM members. The estimated reserve is based on actuarial data, membership, and the authorization of services. Although considerable variability is inherent in such estimates, CCM management believes that recorded reserves are adequate.

Community Health Centers (CHCs) throughout the State of Michigan have contributed funds to establish CCM. Several of these CHCs are contracted to provide services for CCM.
